

THE HIDEOUT GUEST RANCH HORSES

For Sale

Black Tie Guy "Dooly" is a 9 year old, 14.1 hand, buckskin gelding. Dooly was Sarah's wrangle horse in 2005 and 2006, and has been used in the guest string since. Dooly is being sold because of his small size. He has been used extensively in the mountains moving cattle and on trail rides. He can side pass, open/close gates, do flying lead changes, has a rocking chair lope, easy to catch, load and shoe. Excellent all around horse for the lighter rider.

Tee J Bunny Bandit "Bandit", is a 22 year old, 15 hand, AQHA grey gelding. You might have noticed him winning all the big team roping's back in his younger days. He is still young at heart and fast out of the gate. He still has a few more great years left in him. He has been used for team roping and riding lessons here at the ranch during the season. A safe, sound, been there done that, babysitter for your family; or someone just learning to team rope. Remember to untie him before cinching tight.

Jesse, is a 9 year old 16.1 hand sorrel grade mare. She was bought as a young filly from the Billings Livestock sale. She grew and grew and grew but never acquired that stocky Quarter Horse build we were looking for. A Hideout guest favorite and a very versatile horse; she has been used for trail rides, cattle work, English, and Western riding in the arena. She walks out and has long super smooth gaits.

Pedro, is an 18 year old, 16 hand sorrel grade gelding, a great guest horse. Still very athletic and a guest favorite when it comes to cattle work. He has dragged many calves to the fire and can do it all.
